

Susan Eddy

Susan Eddy has been associated with a skilled nursing unit family council on the Eastern Shore of Maryland since 2005. The Heron Point Family Council meets the second Saturday of the month at Heron Point of Chestertown, a continuing care retirement community. (Susan's mother lived in the Heron Point Health Center from 2003 until she died in 2007.) Susan is gratified to see experienced family members continuing to attend council meetings, thereby helping newer council members grow in problem-solving and advocacy skills.
